[8th August 1960

APPENDIX III

[Vide answer to Starred question No. 21 asked by Sri T. S. Ramaswami at the meeting of the Legislative Assembly on 8th August 1960, page 25 supra.]

(*a*) Grants are given by Government for the following purposes to colleges under private management (Arts, Science and Professional) :—

(1) teaching (maintenance) ;

(2) construction of buildings for the institutions and hostels attached to the institutions including purchase of land for building-site, playground and for other purposes ; and

(3) purchase of equipment.

Teaching grant is assessed on the basis of two-thirds of the approved net cost of the maintenance of the institution. Grants towards building, building-site, playground and equipment are limited to one-half of the actual cost, subject to a maximum of Rs. 75,000 for the first three items and Rs. 10,000 for the last. Particulars regarding the amounts of grant sanctioned in individual cases are not available.

(*b*) Grants are given by the University Grants Commission to the managements of colleges for the following purposes up to the limits noted against each item:—

	Ratio.
(1) construction of buildings for the college, laboratory, library, etc.	Two-thirds of the cost.
(2) Construction of buildings for the hostel.	Men—50 per cent. Women—75 per cent.
(3) purchase of laboratory articles, library books and furniture.	Two-thirds.
(4) for post-graduate course in Basic Sciences—Cost of teaching, establishment, buildings, library and equipment.	Two-thirds.

Special grants are paid by the Commission towards the cost of the introduction of the three-year degree courses in colleges. These are on the basis of definite scales depending upon the nature of the courses offered in the college before it started the three-year degree courses. The Commission's grants are towards 50 per cent of estimated expenditure. The other 50 per cent has to be met by the college and the State Government in agreed proportions. In respect of this grant, the State Government have indicated general willingness to meet one-fourth of the cost, the balance being met by the managements concerned. In addition to this the University Grants Commission also gives grants for

8th August 1960]

revision of scales of pay of teachers in Universities and non-Government colleges affiliated to it in accordance with the scales prescribed by the University Grants Commission. Here its grant is equal to 50 per cent of the additional expenditure in the case of Universities and men's colleges and 75 per cent in the case of women's colleges. The rest is to be met by the University and/or by the college and/or by the State Government in agreed proportions.

APPENDIX IV

[Vide answer to unstarred question No. 10 asked by Sri M. P. Sarathi at the meeting of the Legislative Assembly held on 8th August 1960, page 32 supra.]
